TO: Members and Guests:

The Machinery Haulers Association announces their forthcoming summer meeting on June 27, 2007 at the Holiday Inn Hotel & Suites @ Ameristar, 2202 River Road, Council Bluffs, IA, 51501, beginning at 9:00 A.M. and ending at approximately 3:00 P.M.

An interesting agenda of speakers has been arranged to acquaint the trucking industry with tools available to deal with some of the many issues facing our industry, such as:

(a) Matt Harris and Richard DeForest with American Truck Business Services (ATBS) will be presenting their program regarding preparation of taxes for Owner Operators. ATBS also works with owner operators and helps them with ideas and suggestions to allow them to become better operators.

(b) Bruce Weiss with Instructional Technologies, Inc. /TREAD 1 will provide information regarding their company's computer based truck-driver training program. Courses include such areas as Defensive Driving, Winter Driving, Backing and Docking, Accident Procedures, HOS and Log Books etc.

The agenda for the meeting will be sent under separate cover and promises to have many subjects of interest to all of you.

The meeting is open to the public at no cost. Contact Reginald Mutter at 410-820-7844 or visit us at our web site at [www.machineryhaulers.org](http://www.machineryhaulers.org) for additional information.
